October Employee Shoutout

This month's employee shoutout goes to Becky!

Becky has done such an amazing job at supporting everyone in her many roles. She always strives to complete every task at such a high level and she is so committed to each and every child's/educators journey.

Congratulations Becky!

Novembers Shoutout award will be focussed on the cardboard challenge for Recycling Week. We can't wait to see what each room comes up with and how you are including the children.
